The Foundation is looking for ideas and ways to improve the East Vandergrift community for its current residents and to attract new residents.

Select one idea that you foresee implementing in East Vandergrift to improve the economic output, increase employment or increase the appeal of East Vandergrift to current and future residents.

- How will you implement? What role will you play?
- What are the benefits?
- What support do you anticipate needing?
- What is the expected outcome?
- How could it be implemented as a long-term solution (greater than three years)?
